

Designated Child Watcher

Children Aren't Waterproof

Always Watch Kids Around Water!

If you find a child in trouble in a pool:

1. Yell for help and get the child out of the water
2. Call 9-1-1 immediately for assistance
3. Begin C.P.R if you are trained
4. If you are not trained for C.P.R. follow the directions from the 9-1-1 dispatcher until help arrives
